

## PRESS STUD POSITION CODES FOR BENCH MATS

- 10mm male press studs, fitted 30mm in from the corner of the mat as standard
- The mat price includes for the fitting of up to two studs per mat
- Add stud position code to the mat product code to indicate your required stud position(s)
- For online orders, please add the stud position code in the 'order notes (optional)' field
- For more than two studs or alternative positions, please contact us for details
